

**COLOINSEATTLE**

A WOW TECHNOLOGIES, INC. COMPANY

**Coloinseattle** is a premier data center in Seattle, WA. Located in Sabey Data Centers' Intergrate West, this 18,000sf facility is located outside of Seattle's fault zone and liquefaction area, so there is little to no risk of flooding.

We offer a comprehensive suite of services, ensuring the best in reliable connectivity and security for your business needs:

- 🚀 Colocation Services
- 🚀 Private Cloud
- 🚀 Corporate Cloud
- 🚀 Managed Cloud Services
- 🚀 Network and Connectivity Services
- 🚀 Data Backup and Restore Services

Our SOC-1/SSAE16 Type II carrier neutral facility boasts a total of 3MW of power capacity with 2N and N+1 UPS redundancies and N+1 cooling redundancies. With on-site technicians providing support 24 hours a day, 365 days a year, be assured your business systems are protected with the latest in technology and connectivity.
